1	Section 4.17 Public Access	15	By submitting a proposal to the County, each Consultant acknowledges and understands that the County is a public agency subject to Chapter 119 Florida Statutes ("Public Records Law") and all responses are deemed a public record and open to public scrutiny. Any proposal document the Consultant submits will be a public record when the County provides notice of an intended decision or 30 days after opening the bids, proposals, or final replies, whichever is earlier. Trade Secrets, certain background financial information, and other items, may constitute exemptions to disclosure under the Public Records law. Consultant expressly understands records associated with this project are public records and shall comply with the requirements of Florida's Public Records law.	<p>Would the County permit consultants to submit a digitally redacted copy of the proposal on USB to designate which portions of the proposal they deem to be Trade Secret?</p> <p>NO</p>
