Thank you to everyone who bid on our RFP – EM2023-001 Emergency Planning, Disaster Recovery, and Mitigation Grant Program Services.

We were overjoyed with the response.

Unfortunately, we award to the top three and not to everyone who bid. The top three awards were given to the following:

1. Summit Group
2. Metric Consulting
3. Elite Business Strategies

Once again, we are so very grateful for the response we received and take this opportunity to express our gratitude to each and every one of our bidders and encourage you to bid on future RFP's.

To our top three awards, we look forward to doing business with your company and will be sending out contract documents in the next week or so.
